## ISIS Faculty Advisor How To

This information sheet reviews the most commonly used functionality for faculty advisors in ISIS to access to their advisees' information.

- Only students who are eligible to enroll and assigned to a faculty advisor in ISIS will appear on the advisee list
- You may search for students not on the advisee list (see below)
- Graduating students will appear in the advisee list until their degree is conferred in ISIS (typically a month after final grades are due—late January for Fall, mid- to late June for Spring, mid-September for Summer)

To access student information in ISIS, faculty advisors must log in at UCDAccess (<u>https://portal.prod.cu.edu/UCDAccessFedAuthLogin.html</u>) and can use this information sheet as a reference:

1. Once logged into UCDAccess, click on Faculty tab

2. Click on Advisor Center (You may see more or less tabs)
