Authorizations for Personal Health Information

University of Colorado Denver HIPPA Policy

The most secure SEHD data are subject to the UCD HIPPA policy. Chapter three outlines the authorization policies for different types of authorizations. Please review the following policies if you will be working with ePHI.

1. Valid Authorization
2. When No Authorization is Required to Use or Disclose PHI
3. Authorization Required to Use or Disclose PHI contained in Psychotherapy Notes
4. Conditioning Receipt of Services on Providing Authorization
5. Revoking Authorization
6. Authorization Forms provided by Colorado Multiple Institutional Review Board
7. Authorization for Public Relations Purposes
