SEHD Programs, Degrees, Licenses and Special Endorsements

Areas of study include programs for new teachers, experienced teachers, school administrators, counselors, school psychologists, technology, and research. The SEHD offers BA, Master's, Educational Specialist, and Doctoral degrees as well several licenses, endorsements and certificates, and professional development opportunities. The SEHD also offers, in collaboration with the College of Liberal Arts and Sciences (CLAS), several secondary and elementary teaching licenses offered in conjunction with CLAS BAs.
