## **Program Leaders Handbook**

#### Introduction

The Program Leader role is a two-year rotation for one faculty member from within each program area in the School. This should be a tenured or a clinical faculty member but in general, not an untenured faculty member working to achieve tenure and promotion. At the end of the two years, the Program Leader will receive a course reduction for the semester of his/her choice. Program Leaders serve as conveners, coordinators and facilitators of the faculty and the work to be accomplished each year for the program. In addition, the Program Leader is essential in helping establish and carry out the vision for the program area.

In addition, the Program Leader sets the agenda each fall for continuous improvement and strategic direction for the area. The Dean's goal is to improve processes to limit the amount of administrative work for the Program Leader so that the role is focused as much as possible on substantive work. Each program has an Associate Dean, the accreditation office, the outreach and admissions office, the student services office and the information and academic technology office to support his/her work. It is important for the Program Leader to liaison well with people in all of these areas on behalf of his or her program area.

Program Leaders are responsible for serving as the main point of contact and accountability for all state (CDE/CDHE) program authorization/reauthorization and Higher Learning Commission (HLC) review/accreditation processes. This means working to understand the requirements of these processes as they are presented and shared at Program Leaders' Meetings, conveying these requirements to their program faculty colleagues, and as required facilitating efforts within programs to meet these requirements. Program Leaders are specifically responsible for ensuring their program provides an annual HLC program outcomes assessment report. Also along with the Associate Deans aligned with their programs, the Program Leaders are responsible for making sure all deadlines for these processes are met.

Program Leaders also serve as the main point of contact for all school-wide and programlevel continuous improvement efforts. This includes staying up to date on program improvement data/information available through the University Dashboard System (tableau), the SEHD Assessment and Program Improvement Office. It also includes facilitating dialogue among program faculty regarding using these data/information for program improvement, and documenting program improvements made as a result.

## **Duties and Responsibilities**

#### **Accreditation and Program Effectiveness**

When a list has been made by the Assessment Office and sent to the Program Leader, he or she
needs to contact the IDI pre-test non-completers (beginning of each semester) urging them to
complete the assessment. Typically this amounts to 3- 6 students except in our large programs
like ALPS, UCTE, and Counseling where it might amount to 10-20 students.

- After such requests have been made, send a list of IDI pre-test non-completers (end of each semester) to the Assessment Office.
- Spearhead the HLC report with program faculty (due Oct 15th).
- Update Title II program goals (due in April, but applies ONLY to math, science, CLDE and SPED program leaders).
- Update Title II and PEDS clinical practice description (due in April, but ONLY applies to UCTE and EDHD BA).

Send any questions, comments or concerns to Julie O'Brian, Executive Director, of Assessment and Program Improvement.

#### Office of Admissions and Outreach

- Navigate and forward prospective students to education@ucdenver.edu or 303-315-6300. The
   Office of Admissions and Outreach (OAO) will happily follow up and track all prospective student
   communication.
- Help coordinate faculty representation at SEHD recruitment events (i.e. open house, webinars, and information sessions, outreach events). Specific dates will be determined in time for the Fall staff/faculty retreat.
- Nominate 2-3 students and/or alumni to represent your program throughout academic year.
   Send nominations to by Marlinda. Hines@ucdenver.edu September 1<sup>st</sup>.
- Notify OAO staff if your program makes any substantial changes to admissions requirements, deadlines or academic curriculum.
- Inform OAO staff of your program's recruitment needs and goals (i.e. new enrollment minimum capacity, diversity, quality of applicants, experience of applicants, etc.)
- Develop and share a narrative of what the ideal candidates looks like for your program.

Contact Marlinda Hines, Recruitment & Outreach Manager with questions or comments, Marlinda. Hines@ucdenver.edu.

#### D2 - Continuing & Professional Education (CPE)

All program areas work, to some degree, with D2, our off-campus and partnerships delivery unit. Sometimes this includes offering individual classes, sometimes certificate programs, other times by approving coursework to "transfer in" from a partnership or PD offering. The program earns 10% of the total revenue from D2 offerings. Each program area assigns a representative to act as liaison to D2, to approve courses, instructors, and schedules. It is the responsibility of the program leader to make sure that a liaison is appointed.

Contact Shannon Hagerman, Executive Director, Continuing and Professional Education

(CPE) for questions or comments, Shannon. Hagerman@ucdenver.edu.

#### **Faculty Affairs Duties**

• Assist your faculty with developing their professional plans.

2024/05/15 03:35 3/10 Program Leaders Handbook

- Review Instructors, Adjuncts and NTT Faculty FCQs, and advise as appropriate.
- Mentor Instructor/Adjunct faculty members.
- Assist faculty with student's issues and concerns.

Please contact Associate Dean for Faculty Affairs, Dorothy Garrison-Wade with Faculty Affairs issues and concerns.

#### **Finances and Human Resources Duties**

- Review monthly program financial reports and report any discrepancies or problems to Assistant Dean Patricia Ball.
- Monitor faculty course load and make sure faculty have the appropriate numbers of courses to fulfill workload.
- Prepare and submit program budgets at the beginning of the academic year.
- Approve expenditures of program area funds for items such as travel, conference expenses, and professional resources.

#### **Marketing Duties**

Collaborate as needed as a program liaison on:

- Planning for marketing new and current offerings within your program
- Providing input/suggestions for advertising and promotional materials
- Providing input/suggestions for SEHD website copy as it relates to your program
- Providing input/suggestions and encouraging student to participate in social media initiatives for your program
- Providing input/suggestions for written stories relating to your program which may appear online or in publications
- Interfacing with the marketing director on marketing program events (i.e. alumni events, panel discussions, etc.)
- Meeting with the marketing director to discuss PR (media relations) ideas/priorities for your department. Have a great story to share with the local, national or international press about CU Denver, research in your department, an amazing student, a unique class or a new program initiative. Let the SEHD marketing director know about it. These ideas and pitches will go through SEHD's marketing director and then, potentially, through the media team for the university. Has someone in your department been approached by the media about CU Denver? We can help.
- Trying to make sure your program handouts/flyers are brand compliant and approved through
  the proper channels. Have a question about university branding and logos? Need a flyer or
  information sheet created for a program initiative? The marketing dept. is the official source of
  the content.

Please contact Julia Cummings, Marketing Director, with ideas, questions, or concerns.

#### **Technology Related Duties**

Collaborate as-needed as a program-liaison on:

- development of digital teaching & learning, e.g. analysis and development of online programs, online/hybrid courses, etc.
- development of digital student support services, e.g. customer relationship management (CRM), web development, etc.
- school-wide infrastructure initiatives, e.g. smart classrooms, file storage, data systems, etc.
- program-level technology purchasing and planning, e.g. program needs/purchases of software, hardware, cloud services, etc.

Please contact Brad Hinson, Assistant Dean of Information & Academic Technology with ideas, questions, or concerns.

#### **Advising & Student Services Management**

- Admissions Decisions for the Program Area are completed in a timely and thorough manner.
- Arranging for program faculty to attend New Student Orientations as requested.
- Working closely with Program Advisers and Faculty Advisers to hold program and individual advising sessions. Make sure that all advising forms are accurate. Acting to solve student problems that the program adviser or individual faculty cannot resolve.
- Adding new information & making corrections to Student Handbooks.
- Making sure that processes and deadlines for professional learning assessments, portfolios, and exams are completed by program area faculty.
- Organizing selection of an outstanding graduate for the program area for summer/fall and spring graduation.
- Encouraging faculty to attend graduation and the SEHD graduation party.

Please contact: Sandy Mondragon, Asst. Dean for Student Success & Enrollment Management, with ideas, questions, or concerns.

#### Course Scheduling & Enrollment Management

- Coordinate course enrollment decisions, including splitting, or cancelling courses when necessary.
- Connect with Instructors/Lecturers for teaching and pro-rating when necessary.

# Important Semester Deadines for Scheduling & Enrollment Management

		Submit course schedules to Shakira Anderson	
- 1	start of term	Submit IMPACT hiring forms for new lecturers (anyone who has not taught for the department in 3+years or has never taught for the university. Consult SEHD HR if unsure).	

2024/05/15 03:35 5/10 Program Leaders Handbook

6 weeks before start of term	Enrollment Reports are sent to Program Leaders for early appraisal of enrollment
4 weeks before start of term	Program leaders keep faculty and lecturers informed of possible cancellations/prorates and work with the AD to problem-solve low-enrolled courses.
2 weeks before start of term	Program leaders work with AD to identify when courses should be cancelled and communicate with lecturers regarding course cancellations/pro-rates (no later than 1 week before start of term).

## **New Lecturer Hiring Program**

If you would like to hire a new lecturer (i.e. someone who has not taught for us within the last three years or has never taught for us), please fill out the applicable form on IMPACT:

- HR New Hire Request Form: (to initiate hiring process, forms, onboarding, etc).
- Lecturer must apply to Lecturer pool posting in Jobs@CU:
  - On-Campus (D1) courses
  - Continuing & Professional Education (D2) courses
- HR Search Form: Job Posting Lecturer Request (ONLY USE to post a unique position opening in Jobs@CU)

PLEASE NOTE: All new lecturers must apply online before being hired

We strongly encourage you to review the entire lecturer hiring process on IMPACT.

Please submit all lecturer hire requests as far in advance as possible to ensure all paperwork is completed before start of term. This particularly includes:

- Background Checks: Remember that new hires cannot start their position until the background check is completed and they have received notification from campus HR that they have passed. This process can take anywhere from 1 to 3 weeks.
- CU SIS/CANVAS: It may take the Course Registrar several weeks to grant this access.

Please see Theresa Anderson, Human Resources and Payroll Managerfor more information.

#### **Academic Services Resources**

- Registrar
- Academic Calendar
- Grading and Grade Changes
- Forms
- Class Schedule
- Catalog
- SEHD Student Resources
- Early Alert

If you have any questions or would like in-person training please contact Erika Larson.

Work with AD to make course enrollment decisions, cancelling courses

Meet the late June deadline for closing of the yearly budget after a careful check of expenditures.

Answer advising questions that the Program Adviser cannot handle especially if other faculty are not working for the summer. This occurs from mid May to mid August.

Handle student issues that may arise during the summer.

Answer advising questions that the Program Adviser cannot handle especially if other faculty are not working for the summer. This occurs from mid-May to mid-August.

Handle student issues that may arise during the summer.

Monitor portfolio and MA exam processes in early July. Who will evaluate portfolios and exams? All decisions made and reported to Academic Services in a timely manner.

Begin processes to hire and/or assign honoraria if additional sections for Fall are anticipated. Consider whether to cancel classes that are not filling.
