Student Behavior and Conduct

CU Denver Student Code of Conduct

As members of the CU Denver community, students are expected to uphold University standards, which include abiding by state, civil and criminal laws and all University policies and standards of conduct. These standards assist in promoting a safe and welcoming community.

The University strives to make the campus community a place of study, work and residence where people are treated, and treat one another, with respect and courtesy. The University views the student conduct process as a learning experience that can result in growth and personal understanding of one's responsibilities and privileges within both the University community and the greater community. Students who violate these standards will be subject to the actions described below. These procedures are designed to provide fairness to all who are involved in the conduct process.

Philosophy of Student Conduct

The Office of [Student Conduct and Community Standards](#) views the conduct process as a learning experience that helps students to understand their responsibility both to themselves and their living and learning community. We strive to learn from one another in an educational environment that holds mutual respect for individuals and community in high regard and self-responsibility for behaviors. Behavior that conflicts with established standards, policies and guidelines may be referred for conduct proceedings. Every member of the student community must assume responsibility for becoming educated about the various University and housing standards, policies, and guidelines. It is against the basic nature of this community for anyone to demean or discriminate against another

human being. A caring, educational community does not tolerate physical or psychological threats, harassment, intimidation, or violence directed against a person. Such behavior is subject to the University conduct processes.

Diversity

We are committed to a campus community where diversity is appreciated and valued, and where all individuals are treated fairly and with respect. We encourage curiosity, open communication, continuous learning, and community service as ways to create a socially just environment. We support the right to respectful disagreement with ideas and philosophies different from their own. However, we do not permit any form of behavior that places anyone in dangerous, discriminatory, or harassing environments. As a community, we expect all community members to work towards these same goals.

The full CU Denver Student Code of Conduct can be found at:

<http://www.ucdenver.edu/life/services/standards/Documents/CUDenver-CodeofConduct.pdf>.

Students should also refer to individual program handbooks for additional, specific, information regarding expectations related to professional behaviors and/or ethical standards.

SEHD Student Honor Code

The School of Education & Human Development is committed to the Honor Code of the University of Colorado Denver. A university's reputation is built on a standing tradition of excellence and scholastic integrity. As members of the CU Denver academic community, faculty and students accept the responsibility to maintain the highest standards of intellectual honesty and ethical conduct in completing all forms of academic work and internships associated with the University.

Education at CU Denver is conducted under the honor system. All students entering an academic program should have developed the qualities of honesty and integrity, and each student should apply these principles to his or her academic and subsequent professional career. All students are expected to achieve a level of maturity which is reflected by appropriate conduct at all times. The type of conduct which violates the School of Education & Human Developments Student Honor Code may include but is not limited to the following:

1. Plagiarism
2. Cheating
3. Fabrication, falsification and deception
4. Multiple submissions
5. Misuse of academic materials
6. Complicity
7. Intoxication

8. Unprofessionalism

9. Disruptive or disorderly conduct or any violation of the Student Code of Conduct

Academic Dishonesty

Students are expected to know, understand, and comply with the ethical standards of the University. In addition, students have an obligation to inform the appropriate official of any acts of academic dishonesty by other students of the University. Academic dishonesty is defined as a student's use of unauthorized assistance with intent to deceive an instructor or other such person who may be assigned to evaluate the student's work in meeting course and degree requirements.

Plagiarism

Plagiarism is the use of another person's distinctive ideas or words without acknowledgment. The incorporation of another person's work into one's own required appropriate identification and acknowledgment, regardless of the means of appropriation. The following are considered to be forms of plagiarism when the source is not noted:

1. Word-for-word copying of another person's ideas or words.
2. The mosaic (the interspersing of one's own words here and there while, in essence, copying another's work).
3. The paraphrase (the rewriting of another's work, yet still using their fundamental idea or theory).
4. Fabrication of references (inventing or counterfeiting sources).
5. Submission of another's work as one's own.
6. Neglecting quotation marks on material that is otherwise acknowledged.

Acknowledgment is not necessary when the material used is common knowledge.

Cheating

Cheating involves the possession, communication, or use of information, materials, notes, study aids or other devices not authorized by the instructor in an academic exercise, or communication with another person during such an exercise. Some examples of cheating include:

1. Copying from another's paper or receiving unauthorized assistance from another during an academic exercise or in the submission of academic material;
2. Using any electronic, or digital, or technological or other device when its use has been disallowed;
3. Collaborating with another student or students during an academic exercise without the consent of the instructor.

Fabrication, Falsification and Deception

Fabrication involves inventing or counterfeiting information, e.g., creating results not obtained in a

study or research. Falsification, on the other hand, involves deliberately altering or changing results to suit one's needs in an experiment or other academic exercise. Deception is providing false information or knowingly withholding information.

Multiple Submissions

This is the submission of academic work for which academic credit has already been earned, when such submission is made without instructor authorization.

Misuse of Academic Materials

The misuse of academic materials includes, but is not limited to, the following:

1. Stealing or destroying library or reference materials or computer programs;
2. Stealing or destroying another student's notes or materials, or having such materials in one's possession without the owner's permission;
3. Receiving assistance in locating or using sources of information in an assignment when such assistance has been forbidden by the instructor;
4. Illegitimate possession, disposition, or use of examinations or answer keys to examinations.
5. Unauthorized alteration, forgery, or falsification;
6. Unauthorized sale or purchase of examinations, papers, or assignments.

Complicity in Academic Dishonesty

Complicity involves knowingly contributing to another's acts of academic dishonesty.

Intoxication

This is defined as being under the influence of drugs or alcohol in any University setting, classroom setting, practicum/internship, professional development school/site, computer lab or shared student space that compromises the student's ability to learn and participate in educational activities, interferes with the learning process of other students and/or customers and clients of the School of Education & Human Development. Students who have difficulties with alcohol and/or other substances may seek assistance from services available on campus such as the CU Denver Student/Community Counseling Center.

Unprofessional Behavior

Any conduct including electronic communications, both on and off campus, that interfere with the student's ability to maintain professional standards as defined in program handbooks, professional codes of ethics, University policies or procedures or reflects poorly on the student, School of Education & Human Development or University is prohibited.

Disruptive or Disorderly Conduct

Disruptive or disorderly conduct in any University setting or partner setting, such as the disregard of rights of faculty, staff, administration and peers, threatening behaviors in any medium of communication and sexual harassment are examples of disruptive and disorderly conduct and a violation of the University Code of Student Conduct is prohibited. The Code of Student Conduct can be

found by visiting the Office of Community Standards and Wellness website at www.ucdenver.edu/life/services/standards.

All proceedings concerned with academic dishonesty are confidential to the extent permitted by law. A student accused of academic dishonesty has the right to:

- * admit to the charges and accept the penalty imposed by the instructor. If the student admits to the charges, the faculty member will invoke an appropriate penalty, which could include the issuance of a failing grade in the course. If the faculty member believes further action is warranted, then the faculty member may request a hearing of the Academic Ethics Committee, which will determine if further action is necessary;
- * dispute the charges or the penalty by following the Student Academic Appeal process.

Procedures for faculty encountering academic dishonesty

In order to facilitate the accusation process, it is suggested that faculty members include in their syllabi a statement concerning their policy on matters of academic dishonesty.

A. A faculty member who suspects that a student may be guilty of academic dishonesty should react quickly. S/he should gather as much evidence as possible as rapidly as possible: e.g. gathering names of and impressions from potential witnesses, listing potential references that may have been plagiarized, or retaining any hard copies of evidence, such as “cheat sheets” or tests that might have been copied and/or copied from. S/he should commit as many details of the incident to writing as quickly as possible as details regarding an incident can be quickly forgotten.

B. When a faculty member has evidence suggesting that a student is guilty of academic dishonesty, the student should be confronted with the evidence at a meeting, preferably held in the faculty member's office within five (5) working days of the discovery of the alleged incident.

C. After the meeting described above, the faculty member should determine the appropriate penalty for the act of dishonesty. This penalty, as determined by the faculty member, may be a failing or zero grade for the assignment in question or a failing grade in the course. The penalty should be consistent with any information published in the faculty member's syllabus. If the faculty member feels that issuance of a failing grade is an insufficient penalty, then the faculty member may request a formal meeting the Associate Dean over SEHD academic program.

D. After determining the appropriate penalty, the faculty member should present the student with a written letter describing the alleged violation. Copies of this letter should be given to the student's faculty advisor, the Associate Dean of academic programs and a copy should be placed in the student's file housed within the Student Services Center.

This letter must include:

- * a detailed description of the incident that resulted in the allegation of academic dishonesty;
- * a statement of the penalty that will be imposed on the student;
- * a copy of the academic appeal process

Procedures for faculty that encounter violations of policies other than academic dishonesty

Violations of the student honor code that are unrelated to academic dishonesty should also be

considered serious and reported to the School of Education & Human Development Associate Dean for Academics. The appropriate offices including campus police, CU Denver Office of Community Standards and Wellness and other appropriate offices may be contacted to report the violation. Consequences and outcomes will be determined by the appropriate parties given the severity of the offense.

General Information

Confidentiality of Students' Records - ferpa

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their educational records:

- The right to inspect and review the student's educational records within 45 days of the day that the university receives a request for access. Students should submit to the registrar, dean, head of the academic department or other appropriate official written requests that identify the record(s) they wish to inspect. The university official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the university official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
- The right to request the amendment of the student's educational records that the student believes are inaccurate or misleading. Students may ask the university to amend a record that they believe is inaccurate or misleading. They should write the university official responsible for the record, clearly identify the part of the record they want changed and specify why it is inaccurate or misleading. If the university decides not to amend the record as requested by the student, the university will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
- The right to consent to disclosure of personally identifiable information contained in the student's educational records, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the university in an administrative, supervisory, academic or research or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the university has contracted (such as an attorney, auditor or collection agent); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility. Upon request, the university discloses educational records without consent to officials of another school in which a student seeks or intends to enroll.
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University of Colorado to comply with the requirements of FERPA.

History: Amended November 8, 2001; September 17, 2013; August 2014

Reporting Disability Discrimination

Article 10 of the laws of the University Of Colorado Board Of Regents prohibits discrimination on the basis of disability (or on the basis of membership in other protected classes) in admission and access to, and treatment and employment in, University of Colorado educational programs and activities. To report discrimination or to obtain additional information, contact the CU Denver ADA coordinator, 303-315-2724; mailing address: P.O. Box 173364, Campus Box 130, Denver, CO 80217-3364. Complaints of discrimination based upon disability will be processed according to the provisions of the CU Denver nondiscrimination procedures, which may be found online at:

http://ucdenver.edu/faculty_staff/employees/policies/Policies Library/HR/Nondiscrimination.pdf.

Sexual Harassment

The University of Colorado is committed to maintaining a positive learning, working and living environment. In pursuit of these goals, the university will not tolerate acts of sexual harassment or related retaliation against or by any employee or student.

Sexual harassment: consists of interaction between individuals of the same or opposite sex that is characterized by unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature when: (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment, living conditions and/or educational evaluation; (2) submission to or rejection of such conduct by an individual is used as the basis for tangible employment or educational decisions affecting such individual; or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work or academic performance or creating an intimidating, hostile or offensive working or educational environment.

Hostile environment sexual harassment: (described in subpart (3) above) is unwelcome sexual conduct that is sufficiently severe or pervasive that it alters the conditions of education or employment and creates an environment that a reasonable person would find intimidating, hostile or offensive. The determination of whether an environment is "hostile" must be based on all of the circumstances. These circumstances could include the frequency of the conduct, its severity and whether it is threatening or humiliating.

Retaliatory acts: It is a violation of this policy to engage in retaliatory acts against any employee or student who reports an incident of alleged sexual harassment or any employee or student who testifies, assists or participates in a proceeding, investigation or hearing relating to such allegation of sexual harassment.

The University of Colorado System Administrative Policy Statement (APS) on sexual harassment policy and procedures may be obtained from the CU Denver sexual harassment officer (see "Reporting Sexual Harassment") or found online at: http://ucdenver.edu/faculty_staff/employees/policies/Policies Library/HR/SexualHarassment.pdf.

Reporting Sexual Harassment

If you need to report sexual harassment or if you have any questions regarding sexual harassment or policy above, contact the CU Denver sexual harassment officer at 303-315-2724; send correspondence to Human Resources, P.O. Box 173364, Campus Box 130, Denver, CO 80217-3364.

Orientation

All admitted Denver main campus students in the SEHD will be invited to a new student orientation prior to their first semester.

Attending the CU Denver Fall Welcome is a great way to learn what you need to know for your first semester at the University of Colorado Denver, Downtown Campus. This information session will offer

you an opportunity to meet fellow students, staff, and faculty and learn about:

- * Campus Resources
- * Campus Policies and Deadlines
- * Transportation and Parking

In addition to the CU Denver Fall Welcome, many programs in the SEHD have their own program orientation. You will receive information regarding your program's orientation via email once you have been admitted. It is STRONGLY recommended that you attend your program orientation. In many cases, program orientations are mandatory.

Course Plans

Course Plan Forms are available online at

<http://www.ucdenver.edu/academics/colleges/SchoolOfEducation/CurrentStudents/Resources/Pages/CurrentResources.aspx> by selecting your program from the drop-down menu called "Program specific resources." Course plans are also available in your program handbook. No modifications to the degree plan may occur without approval. It is the student's responsibility to make sure their course plan conforms to their program requirements.

Substituting a Course

Substitutions refer to replacing a course that is required for a degree with another course, generally because of a situation beyond the student's control. The substitution must be approved by your faculty advisor. Students must complete the Course Substitution or Waiver Form found at http://www.ucdenver.edu/academics/colleges/SchoolOfEducation/CurrentStudents/Resources/all_docs/SSC_Course%20waiver%20form.pdf and submit to Academic Services with appropriate signatures.

Waive a Course

Waivers refer to degree requirements that are waived based on classes that students have taken prior to entering the program, including courses transferred from another institution. Course waivers imply that you have sufficient knowledge in a particular area, whereas transfer credit implies that actual credit has been approved decreasing the total number of units needed to graduate. Courses may be waived if it has been determined that the course is redundant to your current degree program. You must submit all necessary documentation (syllabus, transcript, etc.) to prove that you have sufficient knowledge in this area to warrant a waiver. If you feel a course waiver is appropriate, you as the student must approach your faculty advisor, who will decide whether other documentation warrants the waiver. Typically, when a waiver is granted a substitutable course is approved simultaneously. **A waived course does not mean a reduction in credit hours required, unless the credit is transferrable to your CU Denver degree program.** Students must complete the Course Substitution or Waiver Form found on the Academic Service website under Current Students and submit to Academic Services with appropriate signatures.

Transfer Credit for Graduate Degrees

Transfer credit is defined as any credit earned at another accredited institution either in the United States or abroad, or credits earned as a non-degree student within the UC system. Graduate courses taken while the student was enrolled in a graduate program anywhere in the CU system are considered resident, not transfer, and therefore fall outside the limits on transfer credits.

Students must complete the form found at <http://www.ucdenver.edu/academics/colleges/Graduate-School/current/Pages/resources.aspx> and obtain signatures as indicated. Return the form with an official transcript to your faculty advisor. Submit the required documentation as soon as possible once the course and grade are posted on the transcript. Students should consult with their academic advisor on credit hour limits, if applicable, that may be transferred into their program. Conditions listed below must be fulfilled before request can be acted upon.

- Official transcript showing courses recommended for transfer must accompany this request. To be official, a transcript must show the seal of the institution.
- Courses used toward one master's degree cannot be used toward another master's degree. Appropriate courses used toward a master's degree may be used toward a doctoral degree.
- Grades in the courses recommended for transfer must be no lower than B-.
- Courses with "Pass/Fail" or "Satisfactory/Unsatisfactory" grades will not be transferred.
- Institutions from which courses are recommended for transfer must be accredited.
- Quarter hours will be converted to semester hours by multiplying the number of quarter hours by .66.
- Student must have satisfactorily completed one semester in the Graduate School as a regular degree student before transfer of credit is recommended.
- Student's grade-point average on all work taken must be no lower than 3.0.
- The Rules of the Graduate School stipulate a maximum number of hours which may be transferred, depending upon the degree toward which the student is working. See your program handbook for the number of hours your program will accept.
- Courses taken more than 10 years prior to the date of graduation must be revalidated by examination.
- Courses recommended for transfer must be equal in level to courses applicable toward the degree at this institution.
- Grades for transferred classes are not calculated into the graduate grade point average.

Non-Degree Coursework

Up to 9 credit hours taken under non-degree status may be applied toward degrees in the SEHD. It is important that non-degree students move forward in a timely manner to complete their application for admission as degree students.

Certificate Credits

Credits in a certificate program are transferable into SEHD degree programs. If a student is not already enrolled in a SEHD degree program, the certificate will appear on the student's transcript

upon successful completion of the courses. If a student is currently enrolled in a SEHD degree program and is taking certificate courses, the credits may apply toward the degree, but the certificate will only be transcribed if no more than 3 credit hours are used to meet degree requirements. Nationally and internationally recognized certificates are exceptions to this policy, such as the Applied Behavioral Analysis certificate.

Students must have a grade of C or better in all classes applied toward their certificate and a cumulative GPA of 3.0 (B average) or higher for the certificate to be transcribed. Particular district-related certificates and the TBI certificate require a grade of B or better for certificate transcription. In some cases, courses with a grade of C may not count toward an MA degree depending on specific degree program requirements.

Academic Progress

Academic Calendars

As a CU Denver student, you are responsible for knowing the specific requirements and deadlines published each semester. Academic Calendars are found at <http://www.ucdenver.edu/student-services/resources/Registrar-dev/CourseListings/Pages/AcademicCalendar.aspx>.

Registration

CU Denver offers students a completely automated system to register for classes. [UCDAccess](#) will tell you when you may register. As a student, you are responsible knowing the deadlines, rules, regulations, course loads, prerequisites and policies of the university, as well as those of the SEHD. Visit the Registrar's website at

<http://www.ucdenver.edu/student-services/resources/Registrar-dev/RegisterForClasses/Pages/default.aspx>

\\
Add/Drop\\

Review the current term's academic calendar for the most recent add/drop deadlines by visiting the registrar's website at

<http://www.ucdenver.edu/student-services/resources/registrar/Pages/default.aspx>.

Administrative Drop\\

An administrative drop is implemented by university officials in the Registrar's Office or the Dean's office. A student may be administratively dropped from one or more classes or withdrawn from all classes for any of the following reasons:

* failure to meet certain preconditions, including but not limited to:

- * class cancellations
- * failure to meet course prerequisites
- * whenever the safety of the student, faculty member or other students in a course would be jeopardized
- * academic suspension, including but not limited to failure to attain or maintain a required GPA
- * disciplinary suspension for having been found to have violated the student code of conduct
- * disruptive behavior determined by the chair and/or associate dean to be detrimental to the progress of the course and the education of other students.

Auditing Courses

To qualify as an auditor for fall, spring or summer semester, a student must be 21 years of age or older or approved by the Registrar. Auditors may not be registered for any other University of Colorado courses during the time they are auditing and are not eligible to audit courses if they are under suspension from the university or have outstanding financial obligations to the university. The Registrar's Office does not keep any record of courses audited; therefore, credit for these courses cannot be established. Auditors may attend as many courses as they wish (except those courses with laboratories or where special equipment is used), provided they have received permission from each instructor.

An auditor's card is issued after classes begin. This card should be presented to the instructor. Auditors, whether resident or nonresident, pay three semester hours of resident tuition for all audited courses during the fall or spring semester for class instruction and library privileges only. Auditors do not receive student parking privileges and are not eligible for other student services. For more information, contact the [Bursar's office](#). Senior citizens (aged 60 and over) may audit classes at no charge. Contact the Division of Enrollment and Student Affairs at 1250 14th Street, 303-556-8427.

Concurrent Registration/Enrollment

The Concurrent Registration Form must be used by degree-seeking students to register through their home campus for courses taught at other University of Colorado campuses. Concurrent registration can only be conducted during the drop/add period at the host campus; registration will not be allowed before or after this drop/add period. For more information, please read the concurrent registration policy and restrictions on the form, found at http://www.ucdenver.edu/student-services/resources/Registrar-dev/Documents/FormStorage/Concurrent_Registration_DDC.pdf.

Independent Study/Dissertation Credits

To register for independent study, thesis, dissertation, practicum, special studies, variable credit, etc. students must use the Special Processing form found at <http://www.ucdenver.edu/student-services/resources/Registrar-dev/Documents/FormStorage/SpecialProcessingForm.pdf>. Note: this form requires faculty approval.

Readmission

If less than three consecutive semesters, including summer, has passed since a student in good standing was last enrolled in courses at CU Denver, the student must only notify Academic Services they wish to re-enter. However, students who have been admitted to a graduate program, but NEVER enrolled for courses, must go through the regular online process for admission.

Students who were previously admitted and enrolled, but have not registered for three consecutive semesters, including summer, must apply for readmission. This requires submission of:

```
\\  
Graduate Application Part 1 and In-State Tuition Classification form  
(Colorado residents must complete both). \\
```

```
\\  
[http://www.ucdenver.edu/academics/colleges/Graduate-School/Documents/GSOCTFORMS/Tuition\_Classification\_Form.pdf  
http://www.ucdenver.edu/academics/colleges/Graduate-School/Documents/GSOCTFORMS/Tuition\_Classification\_Form.pdf] \\
```

Completing the readmission application process does not guarantee your readmission. Programs reserve the right to require additional documentation and/or require the student to meet any new admission requirements required of matriculants (i.e. background checks, immunization, or tests for readmission). Applicants will be notified by email if they have met the requirements for readmission or if additional documentation is required.

Those who have not been active for more than four years must complete the full application process.

PhD and EdD students may apply for a time extension or leave of absence as long as the total time to complete the degree does not exceed 10 years. Up to one year of an approved leave of absence may be taken without reapplying to the program upon return.

change of program

Students who are currently enrolled, in good standing, and want to change programs and/or degrees must complete the *Change of Program Form* and submit with the required signatures to their academic advisor. Students can access this form by contacting their current academic advisor.

course descriptions

Course descriptions are available at <http://www.ucdenver.edu/academics/Pages/Catalogs.aspx>. Select the Denver campus course catalog and the academic year.

Course Schedule

The schedule of courses is available in the [UCDAccess](https://www.ucdenver.edu/academics/Pages/Catalogs.aspx) portal via the Student Center. Prospective students can view the schedule of classes at <http://www.ucdenver.edu/academics/Pages/Catalogs.aspx>.

Faculty Course Questionnaires

The Faculty Course Questionnaire (FCQ) is the means by which students can evaluate a course and an instructor. The questionnaires are all administered online. Students will receive email reminders to complete the FCQ.

Grades

Final grades are available through your campus web portal [UCDAccess](https://www.ucdenver.edu/academics/Pages/Catalogs.aspx), approximately two weeks after the end of the semester. Students should refer to their program handbooks for specifics regarding minimum grade required per course and overall GPA requirements.

Incomplete Grades

Students who are requesting a grade of Incomplete ('I'), should refer to the SEHD Course Completion Agreement for Incomplete available on the website at http://www.ucdenver.edu/academics/colleges/SchoolOfEducation/CurrentStudents/Resources/all_docs/Incomplete%20Application.pdf for the full policy and form.

NOTE: grades of I, W, NC, and F do NOT satisfy financial aid requirements.

Minimum Acceptable Grades

To maintain satisfactory academic progress, advance to candidacy and earn a graduate degree, students are required to maintain at least a "B" (3.00) average in all work attempted while enrolled. In general, courses in which grades below "B minus" (2.7) are received may not be applied toward fulfillment of the requirements for your degree. Individual programs may have more stringent, or less stringent minimum grade requirements. All grades received will appear on the student's transcript and will be included in the GPA calculation. Students should refer to their program handbook for specific information on grade requirements.

Repeating Coursework

A graduate student who receives an unsatisfactory grade in a course may repeat that course once. The 2 grades received will be averaged in calculating the grade point average, and all grades received will appear on the student's transcript. The course may be counted only once toward

satisfying the credit hour requirement for the degree.

Academic Probation and Dismissal

If, at any time, a student's cumulative graduate grade point average (GPA) after matriculation falls below 3.00 (some graduate programs may require that a higher GPA be maintained) the student will be placed on academic probation. Probationary full-time students have 2 semesters, probationary part-time students have 4 semesters, in which to raise their cumulative GPA to a 3.00 (or greater if required by the program) for removal from academic probation (calculated using 'all' graduate-level courses since matriculation, including graduate courses that a student enrolled in outside his/her main program). In addition, a minimum GPA of 3.00 (or greater if required by the program) must be maintained in each probationary term. Students who fail to meet the conditions of probation are subject to dismissal from the School of Education and Human Development. Any student who is dismissed following unsuccessful academic probation or failure to meet his/her program's guidelines for satisfactory academic progress may reapply for admission to the same or a different graduate program only after 1 year. The student should consult with the Program Director before applying.

Probation also may be imposed for other reasons related to unsatisfactory academic progress and for unprofessional behavior, including honor code violations and conduct that violates the integrity of training and research. In such instances, the length and specific conditions of the probationary period will be determined on a case-by-case basis.

Removal from Probation

Once the student's GPA has been recalculated and shown to be 3.00 or above, and/or other specified conditions of the probationary status have been met, the student will be removed from probation and the registration hold will be released.

Probation and Graduation

A student cannot take a milestone exam (Masters final exam or thesis defense, PhD comprehensive exam or dissertation defense) or obtain a degree from CU Denver while on probation.

Comprehensive Exam/Culminating Experience\\

Students in many programs are required to complete a comprehensive exam (COMP) or culminating experience (CE) prior to completion of their degree and/or licensure/endorsement program.

'Students must register for these exams and experiences. 'Your program handbook provides details on your required COMP or CE. Should you have content specific questions regarding your CE, contact your faculty advisor. Doctoral students should refer to the handbook for details. All other students should do the following -

- Submit the [Comprehensive Exam/Culminating Experience Registration Form](#) by the deadlines posted.
- Make sure that you have also applied for graduation through [UCDAccess](#) by the deadline listed on the [Academic Calendar](#). Registering for your comprehensive exam or culminating experience does not register you for graduation.

- Register for at least one course during the semester you complete your COMP/CE. If you can't take a class the semester you plan to complete your COMP/CE, you must [register](#) and pay for one credit hour as a Candidate for Degree (CAND 5940). The CAND 5940 class number will be posted at <http://www.ucdenver.edu/academics/colleges/SchoolOfEducation/CurrentStudents/Pages/COMPSandGraduation.aspx> for each semester. If you are already registered for another course the semester you are completing your COMP/CE, you don't need to register for CAND 5940. In UCDAccess, you will need to go to your student center page, search for classes and then select the ENROLL TAB. Enter the class number above the box labeled "add to cart/enter class number."
- Expect to receive communication from the SEHD via your official CU Denver e-mail. We will send you acknowledgement notices after the deadline, announcements and COMP/CE results.
- Complete your COMP/CE by the required due date. Portfolios, papers, projects and take home exams should be turned in by the deadline posted at <http://www.ucdenver.edu/academics/colleges/SchoolOfEducation/CurrentStudents/Pages/COMPSandGraduation.aspx>, unless instructed otherwise by your faculty advisor. The comprehensive timed exam for the Counseling program date will be posted at <http://www.ucdenver.edu/academics/colleges/SchoolOfEducation/CurrentStudents/Pages/COMPSandGraduation.aspx>.
- If you decide to postpone completing your COMP/CE, notify [Academic Services](#).

Graduation

Students MUST file an application for graduation! Apply through your [UCDAccess](#) student portal to notify the Office of the Registrar of your intent to confer your degree by the posted deadlines. Full instructions can be found at <http://www.ucdenver.edu/student-services/resources/registrar/degrees/Pages/Graduation.aspx>.

Graduating with honors is an undergraduate distinction. Graduate student do NOT graduate with honors!

Undergraduate Honor Levels

3.80-4.0: summa cum laude\\
3.60-3.79: magna cum laude\\
3.50-3.59: cum laude

Commencement \\

If you plan to participate in commencement ceremonies, you will need to register for this separately at [Commencement Online](#).

Participating in commencement when not actually graduating

Master's and undergraduate students who wish to participate in the commencement ceremony who are not actually graduating may do so. However, Doctoral graduates must complete 100% of degree requirements before they can be hooded in the ceremony.

Bachelor's and master's degree recipients are permitted to walk in the ceremony without having completed all degree requirements. Your name will not be in the program and walking in the ceremony is not a guarantee of graduation.

Please note that graduate names are printed in the commencement program only in the semester for which you have been approved to graduate.

It is the student's responsibility to register for the commencement ceremony and for regalia. For information, please visit <http://www.ucdenver.edu/student-services/graduation/Pages/Graduation.aspx>.

Institutional Recommendations

It is the student's responsibility to ensure he/she has met the requirements for licensure and endorsement. Students should refer to the Colorado Department of Education (CDE) website for the most current information. http://www.cde.state.co.us/cdeprof/licensure_authorization_landing

Recommendations are made by the SEHD, but licenses and endorsements are granted by the State of Colorado. Individual state requirements vary and may include teaching examinations in addition to a valid teaching license. Students should consult with the CDE and/or the state they will be living in, for the most updated licensure and endorsement requirements.

Students should download the applicable form from the CDE website, complete the top portion of the form and submit it with your contact information, including e-mail address, to Academic Services in person, by FAX at 303-315-6311, or email to education@ucdenver.edu for us to complete. Allow up to 5 business days for the signed form to be e-mailed directly to you for uploading to CDE.

===== Time Limit Extension Policy =====

```
\\  
[[|Master's and Educational Specialist students should request a time  
extension if their time to degree will be beyond the 7 year limit for their  
degree. Students should complete the  
]][http://www.ucdenver.edu/academics/colleges/Graduate-School/Documents/GSOC

to their Academic Advisor.\\
```

EdD, PsyD, and PhD, students should confer with their Faculty Advisor and refer to their program handbook and the *Graduate School Student Handbook*.

Leaves of Absence

Students who need to leave CU Denver graduate programs for a period of time should determine with their faculty advisor if a petition for leave is required for an absence of up to three consecutive semesters, including summer. If approved by the faculty advisor, a copy of the petition is forwarded to Academic Services for MA and EdS students and the Graduate School for EdD, PsyD, and PhD students. Approved leaves of absence do not automatically extend the time limits for earning a degree, but they may be cited as supporting documentation to request an extension if needed. Leaves of absence that exceed one year will not be approved unless the faculty advisor provides the

Dean of either the SEHD or the Graduate School, depending upon degree program, with a compelling justification why such action should be approved. Students who are absent for longer than one year will be considered to have withdrawn from the program and will be required to reapply for admission and be considered with all other applicants.

Withdrawing (dropping all classes)

Students who are withdrawing from all courses should consult with their academic advisor as soon as possible. **It is the student's responsibility to withdraw from their classes.** Students should refer to the Academic Calendars for deadlines and fees. For full policy on financial aid implications, students should visit

<http://www.ucdenver.edu/student-services/resources/CostsAndFinancing/FASO/learn/Pages/withdrawing.aspx>.

Medical withdrawal Policy

Students diagnosed with either physical or psychological medical conditions that significantly impact their safety or ability to be academically successful are eligible to petition for a medical withdrawal. A student who wishes to withdraw under the Medical Withdrawal Policy must withdraw from all classes; partial withdrawals are not permitted. Additionally, international students must contact their assigned International Services Specialist to discuss visa implications associated with withdrawing. Students seeking to withdraw for non-medical reasons will need to review the withdrawal policies and procedures for their respective school or college.

The official request for a Medical Withdrawal and all appropriate documentation of the medical condition must be submitted online at

Financial Aid and Tuition

You must apply for financial aid every year. The Free Application for Federal Student Aid (FAFSA) is available starting January of each year. It can be accessed by navigating to the Federal Student Aid website at <https://fafsa.ed.gov/>.

Note: Financial aid is awarded on a first come, first served basis. We recommend that you file your federal tax returns as early in the calendar year as possible so that your tax data is available through the IRS Data Retrieval Tool (DRT) when completing the FAFSA application. Income tax return data is available through the DRT three weeks after electronic tax filing and eight weeks after paper tax filing.

More than 50% of our students take advantage of need-based financial aid awards and loans. We also offer scholarships, grants (including the popular TEACH grant), and work study. The CU Denver Scholarship Office has information and resources and can be found at:

<http://www.ucdenver.edu/student-services/resources/Scholarships/Pages/default.aspx>. Information on SEHD financial aid can be found at:

<http://www.ucdenver.edu/academics/colleges/SchoolOfEducation/Aid/Pages/ScholarshipsFinancialAid.aspx>.

Summer Financial Aid

The amount of financial aid offered to you for the fall and spring semesters may be at or near your yearly maximum and, if utilized in the fall and spring semesters, will leave you with little or no eligibility for summer. If you plan to take summer classes, and will need loan assistance, then you will need to make plans during fall and spring semesters to budget your loan funds. You may want to reserve some funds for summer by reducing the amount of loans that you borrow during the school year.

If you opt to borrow your maximum loan eligibility during the fall and spring semesters, please contact Financial Aid at 303-315-1850 or financialaid@ucdenver.edu for more information on your summer options. You must be enrolled at least half-time (3 credit hours for graduate students) to receive aid. Information can be found at

<http://www.ucdenver.edu/student-services/resources/CostsAndFinancing/FA/typesoffinancialaid/studentloans/Pages/GraduatePLUSLoan.aspx>.

Scholarships

We encourage you to apply for scholarships. Some are need-based while others are not. To apply for these awards, log in to your UCDAccess Portal at

<https://portal.prod.cu.edu/UCDAccessFedAuthLogin.html>. Be sure to read the scholarship criteria carefully before applying. If you have questions about the application process, contact the Scholarship Resource Office at 303-352-3608.

Scholarship awards are determined by the School's scholarship committee which includes faculty and staff. Award amounts may vary semester to semester. If you aren't awarded a scholarship the first time you apply, reapply for any scholarship you are interested in if you continue to meet the criteria. Information on SEHD scholarships can be found at:

Students are initially classified as in-state or out-of-state for tuition purposes at the time of application. The classification is based upon information furnished by the student and from other relevant sources. After the student's status is determined, it remains unchanged in the absence of satisfactory evidence to the contrary. General Information

Confidentiality of Students' Records - ferpa

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their educational records:

- The right to inspect and review the student's educational records within 45 days of the day that the university receives a request for access. Students should submit to the registrar, dean, head of the academic department or other appropriate official written requests that identify the record(s) they wish to inspect. The university official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the university official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
- The right to request the amendment of the student's educational records that the student believes are inaccurate or misleading. Students may ask the university to amend a record that they believe is inaccurate or misleading. They should write the university official responsible for the record, clearly identify the part of the record they want changed and specify why it is inaccurate or misleading. If the university decides not to amend the record as requested by the student, the university will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
- The right to consent to disclosure of personally identifiable information contained in the student's educational records, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the university in an administrative, supervisory, academic or research or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the university has contracted (such as an attorney, auditor or collection agent); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility. Upon request, the university discloses educational records without consent to officials of another school in which a student seeks or intends to enroll.
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University of Colorado to comply with the requirements of FERPA.
