How To

Make Edits

1. Click 'Login' in the upper right corner of the screen and login with your wiki credentials.

2. Navigate to the section of the website you would like to edit. In this case we are going to make some edits to the Faculty Handbook.

3. Click the “Edit” button that is **below and to the right** of the section you would like to edit. In this case we want to edit the “Mission”.

The screenshot shows the SEHD Wiki interface. The top navigation bar includes the University of Colorado Denver logo, the SEHD Wiki title, a search bar, and user options (Logged in as: Matt Mitchell (matt.les), Update Profile, Log Out). The breadcrumb trail reads: You are here: Welcome to the SEHD Wiki! » Handbooks » Faculty Handbook. The left sidebar contains a table of contents for various categories like Academic Services, Budget & Finance, and Handbooks. The main content area displays the 'Faculty Handbook' with sections for 'School's Mission and Vision', 'Mission', 'Leadership For Educational Equity', and 'Vision'. The 'Mission' section text is: 'Prepare and inspire education and mental health leaders to have a profound impact in fostering student opportunity, achievement and success in urban and diverse communities.' To the right of the 'Mission' section, there is an 'Edit' button circled in red. A 'Table of Contents' sidebar on the right lists various handbook sections.

4. Make your changes on this page using the editor and click save when you are finished. Every save creates a new version of the document, allowing you to roll back changes to previous revisions if mistakes are made.

This screenshot shows the same SEHD Wiki page in edit mode. The top navigation bar and breadcrumb trail are identical. The main content area shows the 'Mission' section with its text. Below the text, there is a rich text editor toolbar with various formatting options. At the bottom of the editor, there is a 'Save' button circled in red, along with other buttons like 'Delete', 'DW Edit', 'Cancel', 'Back-up', 'Revert', and 'Edit Fonts'. Below the buttons, there is a field for 'Editor Height' (250 px) and a checkbox for 'Turn supplementary image paste support on'. At the very bottom, there is an 'Edit summary' field containing the text '[Mission]' and a checkbox for 'Minor changes'.
