# Employee Onboarding

Welcome to the SEHD!

You may appreciate starting with some Tips & Tricks for Success here:

## Benefits

- Benefits overview and enrollment: Employees can [view the benefits training video series](#) separately from the New Employee Orientation. Videos are 8-21 minutes long and focused on specific topics. New employees are encouraged to reach out to the benefits professionals at [benefits@cu.edu](mailto:benefits@cu.edu) with any questions they have regarding their benefit elections. **Employees must enroll in (or actively waive) benefits within 31 days of their hire date.**
- Does your hire date fall between mid April and early June? You will need to consider your new hire enrollment, in addition to your open enrollment, for the new plan year that begins July 1. Please follow the steps carefully using this guide: [New Hire Open Enrollment Guidelines \(cu.edu\)](#) and contact [benefits@cu.edu](mailto:benefits@cu.edu) with any questions.

## Pay and leave accrual timing

- The majority of full-time employees at CU are paid once a month, on the last business day of that month. Please check your offer letter for the details of your specific pay timing, and let SEHD HR know if you have questions ([sehchr@ucdenver.edu](mailto:sehchr@ucdenver.edu)).
- Many full-time employees accrue vacation and other leave once a month for the month prior. The full policy document for all employee types is available here: [www.cu.edu/ope/aps/5062](http://www.cu.edu/ope/aps/5062). If you are a staff member or 12-month faculty member, your leave is tracked through the MyLeave tile in your employee portal ([my.cu.edu](http://my.cu.edu)). Please see your welcome email from sehd hr for details about setting up your MyLeave, and let us know if you have questions ([sehchr@ucdenver.edu](mailto:sehchr@ucdenver.edu)).
