Leave time

Leave/Time Off (9-Month Faculty)

Full-time nine-month faculty earn ½ month (11 business days) of sick leave at the beginning of each academic year as described in [Regent Policy 11.E](#). Vacation leave does not accrue in academic-year faculty positions. Sick leave is tracked manually by SEHD HR, not through MyLeave. Please notify the SEHD HR team if you must take any sick leave. If you will miss 3 days or more of work, please contact the SEHD HR Manager for [FMLA information](#) or [parental leave](#) information.

Leave/Time Off (Staff and 12-Month Faculty)

University Staff and 12-month faculty earn sick leave and vacation ("annual") leave as described in [Regent Policy 11.E](#). Time off is tracked through the MyLeave through the UCD Access employee portal (my.cu.edu). Please submit vacation/sick leave/family sick leave requests to your supervisor as far in advance as possible for pre-approval (except when you are ill, in which case you should submit

immediately upon your return to the office). Sick leave is to be used when you are ill, for scheduled medical appointments, or for taking your immediate family member to a medical appointment. Medical certification will be requested for any sick leave of more than 3 consecutive calendar days, for compliance with [FMLA](#) and/or [Parental Leave \(faculty/university staff only\)](#) policies. Medical certification may also be requested if leave abuse is suspected. Abuse of the leave policies will result in disciplinary action. Supervisors of employees earning vacation and sick leave must verify leave usage and balances on a monthly basis (even if no time is used). Annual leave (vacation) hours in excess of the maximum accrual allowed as of July 1st of each fiscal year are forfeited and “swept” from the system.
