Searches, Hire, Promotions, Position Changes, Separations

To submit a request form to initiate a search, new hire, promotion, position changes, etc., please go to https://forms.ucdenver.edu/secure/sehd_hr_search.

Please plan at least two months ahead for these requests whenever possible because there are many steps and partners in the process.

For a search, we will ask you to provide funding information, an organizational chart for your team and a beginning job description for the role that we can work with as we go through the review process before posting. Please contact the SEHD HR team for assistance (e.g. with job descriptions and pay rates) or with any questions or comments.

Prior to starting the search process, all search committee member should have completed this course in Skillsoft Percipio in the past two years: CU Search Committee Training, Inclusive Recruiting Practices.

Faculty Search Guidelines

The SEHD follows these steps in a faculty search:

1. The Dean appoints a search chair and committee, ensuring that there is diverse representation.
2. All search committee members must have completed the [required online CU search committee training](#) within the past two years.
3. Typically, a search orientation meeting is held (in-person, virtually, or hybrid) where the Dean gives a charge to the search committee, and the search process is reviewed. Representatives from the OE &/or our Associate Dean for EDI &/or a Search Advocate are usually invited.
4. Open faculty positions are typically posted for view in a variety of places including but not limited to:
5. CU automatically posts all positions in CU Careers, HigherEdJobs.com, InsideHigherEd.com and Colorado Workforce Center
6. SEHD also may post in the Chronicle of Higher Education, Diverse Issues in Higher Education, Hispanic Outlook, Linked In, and SEHD Impact
7. The search committee is encouraged to call and/or email targeted individuals
8. SEHD HR will provide recruiting packets with the announcement and program/school info for meetings or conferences as needed upon request
9. Committee members are encouraged to post on listservs of professional organizations and relevant professional journals

Student Employment

For information on student employment - hiring process, definitions of employee types, job descriptions, pay rates, and more please go to the [Student_hiring_guide](#)

Contact SEHD HR for assistance.

Separation/Termination of Employment

When employees terminate employment, an official written notification which specifies the employee's last day of employment to the supervisor and SEHD HR is required. SEHD HR will send an exit acknowledgement letter and an exit checklist to the employee. The employee will work with their supervisor, SEHD HR/Finance, SEHD IT and Ja'Net Hurt as needed for final business such as turning in keys, procurement/travel cards, ID badge, parking card, computer and tech equipment, and an office cleanout walkthrough. SEHD server/email access will generally be terminated at the end of the last date of employment. Retirees and CU alumni will have ongoing access to their University e-mail, along with limited portal access.

Additional offboarding information is available here: [Leaving CU](#)

Leave time

Leave/Time Off (9-Month Faculty)

Full-time nine-month faculty earn ½ month (11 business days) of sick leave at the beginning of each academic year as described in [Regent Policy 11.E](#). Vacation leave does not accrue in academic-year faculty positions. Sick leave is tracked manually by SEHD HR, not through MyLeave. Please notify the SEHD HR team if you must take any sick leave. If you will miss 3 days or more of work, please contact the SEHD HR Manager for [FMLA information](#) or [parental leave](#) information.

Leave/Time Off (Staff and 12-Month Faculty)

University Staff and 12-month faculty earn sick leave and vacation (“annual”) leave as described in [Regent Policy 11.E](#). Time off is tracked through the MyLeave through the UCD Access employee portal (my.cu.edu). Please submit vacation/sick leave/family sick leave requests to your supervisor as far in advance as possible for pre-approval (except when you are ill, in which case you should submit immediately upon your return to the office). Sick leave is to be used when you are ill, for scheduled medical appointments, or for taking your immediate family member to a medical appointment. Medical certification will be requested for any sick leave of more than 3 consecutive calendar days, for compliance with [FMLA](#) and/or [Parental Leave \(faculty/university staff only\)](#) policies. Medical certification may also be requested if leave abuse is suspected. Abuse of the leave policies will result in disciplinary action. Supervisors of employees earning vacation and sick leave must verify leave usage and balances on a monthly basis (even if no time is used). Annual leave (vacation) hours in excess of the maximum accrual allowed as of July 1st of each fiscal year are forfeited and “swept” from the system.
