Reporting Potential Problems in Privacy and Security

Applicable University of Colorado Denver Policies

University of Colorado IT Security Program Policy

All data and information resources of the SEHD are subject to University of Colorado's IT Secuirty Program policy, APS-6005. The policy states that all University IT users must

```
IT resource users shall report security related events; known or suspected
violations of IT security policy; and inappropriate, unethical, and
illegal activities involving University IT resources. Users shall follow the
reporting process applicable to their campus. If unsure of the local
incident reporting process, users shall call the appropriate IT service
center or help desk.
```

University of Colorado Denver Security Management HIPPA Policy

The most secure SEHD data are subject to the UCD HIPPA policy.
