## **Privacy and Security Training**

## **University of Colorado IT Security Program Policy**

All data and information resources of the SEHD are subject to University of Colorado's IT Secuirty Program policy, APS-6005. Within the policy it describes employee training:

Supervisors shall ensure that employees are adequately trained to fulfill theirIT security responsibilities. Employees with elevated computing privileges (e.g., server support technicians, user account managers, or webpage administrators) may require additional, specialized training for carrying out theirIT security responsibilities effectively.

- > Supervisors shall ensure thatemployees are adequately trained to fulfill theirIT securityresponsibilities. Employees with elevated computing privileges (e.g., server support technicians, user account managers, or webpage administrators) may require additional, specialized training for carrying out theirIT securityresponsibilities effectively. 
  /Ii>/Arial, Helvetica, sansserif;;inherit; inherit; inherit; inherit; inherit; inherit; IT resources to perform their duties, shall receive initial training and periodic refresher training relevant to their IT security responsibilities.
  - Supervisors shall coordinate their local IT security training initiatives with the campus Information Security Office

## University of Colorado Denver Security Management HIPPA Policy

As applicable, the most secure SEHD data are subject to the UCD Security Management HIPPA policy. As stated on the UCDenver HIPPA Website:

Mandatory for most of the UCD workforce. As a faculty member, any other type of employee, student, trainee, or volunteer of the UCD (or a faculty member who bills through UPI), **you must complete HIPAA training within 30 days of your hire date** for new employees.
